

Growing Magenta wheat?

Sell it with Seedpool.

www.seedpool.com.au

Seedpool is Nuseed's unique online seed trading site, for farmer-to-farmer trading of authorised InterGrain wheat varieties.

A completely free service, Nuseed Seedpool makes it easy to advertise and sell your seed to other farmers.

With eight* authorised InterGrain varieties to choose from and the option of SureSeed® cost effective quality control, Seedpool helps you sell Western Australia's leading wheat varieties for seed to maximise your returns.

*Also available for trade through Seedpool: Fortune, Binnu, Yandanooka, Tammarin Rock, Zippy, Endure and Derrimut.
