*Yield Statement based on last 3 years Conventional Canola NVT Trials.
#Cummins Ag Services / LEADA 2010 Wangary Canola Trial Results. Yield Data (Sown 29/4/10)

BLACKLEG RATINGS

(P) Provisional Rating. There is insufficient data to meet National Blackleg Rating protocols. Growers should be cautious until sufficient data is available.
(R) Reduced Resistance. At one or more sites this variety had lower resistance than previously reported.
(R*) Observations indicate AV-Garnet may have reduced resistance on the Eyre Peninsula
